SP 160-38	6.73"	1.49" / 38 MM	7,860	4200	.165" / 4.2 MM	\$5,807.00	\$1,026.00	\$13,440.00
SP 240-78	9.45"	3.07" / 78 MM	13,480	3500	.165" / 4.2 MM	\$6,438.00	\$1,111.00	\$14,154.00
SP 280-92	11.18"	3.62" / 92 MM	21,350	3200	.197" / 5 MM	\$8,445.00	A6 \$1,256.00 A8 \$1,256.00 A11 \$1,504.00	A6 \$16,336.00 A8 \$16,336.00 A11 \$17,713.00
SP 350-115	13.78"	4.53" / 115 MM	19,780	3000	.197" / 5 MM	\$10,614.00	A6 \$1,256.00 A8 \$1,256.00 A11 \$1,504.00	A6 \$18,505.00 A8 \$18,505.00 A11 \$19,882.00
SP 350-115 ES	14.17"	4.53" / 115 MM	19,780	3000	.590" / (10) + 5 MM*	\$16,366.00	A6 \$1,256.00 A8 \$1,256.00 A11 \$1,504.00	A6 \$24,257.00 A8 \$24,257.00 A11 \$25,634.00
SP-L 350-90	14.17"	3.54" / 90 MM	6,970	1000	.472" / 24 MM	\$18,359.00	A6 \$1,256.00 A8 \$1,256.00 A11 \$1,504.00	A6 \$26,250.00 A8 \$26,250.00 A11 \$27,627.00

## Features

- Front mounted, built in cylinder
- Force transmission by wedge hook
- Large through hole. No cylinder or drawtube to get in the way
- Easy installation with no additional adaptors required
- Mounting of the distributor ring on the headstock or with the centering ring on the chuck with anti-rotation bracket
- Clamping pressure level constantly checked by a safety control system
- SP Large through hole with self contained cylinder
- SP-ES Chuck with rapid and clamping stroke
- SP-L Chuck with long jaw stroke

## Standard Chuck Package:

- 3 jaw chuck
- 2 elbow unions
- 1 set t-nuts with bolts
- 1 set of soft top jaws

## Big Bore Package Includes:

- Standard chuck package
- Adaptor plate
- Distributor ring mounting bracket
- Basic air control system
- Mounting Bolts
